

What's on in Wallonia

Touristic sites, attractions and museums have, since July 1, reopened to the public in Wallonia.

Here is the list of sites that can now be visited.

While we will keep it up to date as well as we can, **do check the opening times, booking tips and recommendations** with them (either via their website or by contacting them directly) before heading there.

Wondering what's on this week, week-end or on the dates you are planning your trip to Wallonia? This agenda lists fantastic events taking place in the South of Belgium and will prove a wonderful source of inspiration to discover the region further.

Exhibitions, markets, festivals, fairs, special events and guided tours... There is much to choose from. They will give you a chance to meet the locals and get to understand our traditions and our folklore better.

There is something for everyone, children and adults, for every mood, relaxed or active, for every schedule, day, evening or full weekend.
